

## Symbols and Icons

A picture is often more powerful than words. Many individuals transformed their feelings into symbols that could be understood across cultures. People used American flags to signify solidarity; international flags to represent international support; doves and cranes to symbolize peace; hands to offer friendship; and religious icons to provide comfort. Even the images of the towers themselves acquired new meanings as symbols of violence, hope, or rebirth.

1. Firefighter Helmet - Australia
2. Postcard - Germany
3. Card - Germany
4. Card - Nigeria
5. Flag - Japan
6. Postcards - Germany
7. Flag - Canada
8. Flag - Australia
9. Wood Panel - Australia
10. Book - Canada
