

National Museum of American Diplomacy

A Hero of U.S. Diplomacy: Dr. Ralph J. Bunche (1904-1971)

In January 2020, the Ralph Bunche Institute for International Studies at the City University of New York generously donated several artifacts to the the National Museum of American Diplomacy that represent the distinguished diplomatic career of Dr. Bunche. [Read more.](#)

Online Exhibit: *Outbreak in West Africa*

In today's interconnected world, an infectious disease threat anywhere is a security threat everywhere. The United States works closely with the international community to monitor and prevent the spread of dangerous diseases, responding swiftly to outbreaks as with the Ebola crisis in 2014. [Read more.](#)
